

3718. I searched in all the infinite past present future space, gods magicians scientists etc, who could see study understand and use the radiations 26662 24999 etc, the creator of the existence and the Infinite Invisible Living Sphere, exposed in video codes, but I did not find it. ----- The scientific lie that the gravitational force regulates the distance and height between the sun and billions of stars and planets is accepted by children, and gods priests saints and scientists, misinformed, or sick of the unknown carelessness savagery etc, or who have not studied the Infinite Invisible Living Sphere, the creator of the existence and the book Eternal Order. To move the planets and stars to the same distances and heights and at the same time, over great distances of billions of km, millions of years, is used, intelligence, radiations 26662 24999 etc, the Infinite Invisible Living Sphere, and the creator of the existence. There cannot be a magnetic gravitational etc force, or nothing, or nature, or chance, that controls the distance, position, rotation, direction and height between trillions of tons of matter, that spins them at the same time exactly, for millions of years, over distances of billions of kilometers, etc. It is very likely that the creator of the existence spins and pushes the Infinite Living Invisible Sphere, in all directions, but it is impossible to see imagined and demonstrated. The radiations 26662 24999 etc, the Infinite Living Invisible Sphere, and the creator of the existence, introduced themselves, into the lives of the persons, gods, scientists, etc, through the ESGSEIS video codes, and the book Eternal Infinite Order. The terrorists, assassins, crooks, racists, savages, parasites, etc, forbid to all scientists, magicians, gods, persons, etc, to study the radiations 26662 24999 etc, the Infinite Living Invisible Sphere, and the creator of the existence, from the year 2011 until after the apocalypse. After the apocalypse, only the creator of the existence and 999 creatures will remain in all infinite space. The terrorists, savages, etc, are social excrements, who are convinced that it is better for all scientists, magicians, gods, persons, etc, to study only the Stone Age, circumcisions, rituals of murder torture and cannibalism, prayers to paintings and statues from the Stone Age in various languages and from thousands of km away and in the number of billions of persons and in the same minute, horror, sacrifices, kneeling, humiliation, alcohol, Bible, Koran, poisons, wars, misunderstanding, misinformation, etc. These social excrements are convinced that it is very bad for all scientists, magicians, gods, persons, etc, from all the infinite past present future space, to find, study, understand and use the truth, reality, understanding, peace, love, respect, justice, unity, equality, eternity continuous in all the infinite past present future space, the book Eternal Infinite Order, the ESGSEIS video codes, the radiations 26662 24999 etc, the Infinite Living Invisible Sphere, and the creator of the existence. In the coming apocalypse, because this information and creatures are censored, attacked, ignored, hidden, replaced and insulted, we will see that the Infinite Living Invisible Sphere and the creator of the existence, will modify the distance and rotation time between the sun and the planets, will throw stars on planet Earth, will trigger other earthquakes and paranormal disasters such as L'Aquila, Fukushima, etc, etc. I am very influenced, hypnotized, radiated, connected, etc, to the radiations 26662 24999, etc, the Infinite Living Invisible Sphere, the creator of the existence,

sciences, respect, peace, understanding, justice, etc. Unfortunately there are still many saints, gods, persons, scientists, psychologists, psychiatrists, priests, judges, politicians, excrement, etc, who are very influenced, hypnotized, radiated, connected, manipulated, educated, etc, by the stone age, the year 2000, Israel, the Bible, the Koran, salt water, circumcisions, mutilations, chronic murderous savagery, chronic murderous madness, chronic murderous misinformation, chronic murderous indifference, chronic murderous insensitivity, secrets, unknown, wars, stars, stones, paintings, statues, hieroglyphics, alcohol, drugs, etc, and they even have the courage to blame me, or the truth, sciences, respect, understanding, justice, peace, equality, unity, eternity, medicine, policy, religion, democracy, etc, or the radiations 26662 24999, etc, the Infinite Living Invisible Sphere, and the creator of the existence. The terrorists, the savages, murderers, etc, are very angry and disturbed by truth, sciences, reality, respect, justice, eternity, etc. They want to hide them, or replace them, or bury them and cover them with intellectual excrements, or destroy them. ----- I know for sure that the excrement has linked you to the letter t, the stone age, the year 2000, Israel, the Bible, the Koran, salt water, circumcisions, mutilations, chronic murderous savagery, chronic murderous madness, chronic murderous misinformation, chronic murderous indifference, chronic murderous insensitivity, secrets, the unknown, wars, stars, stones, paintings, statues, hieroglyphics, alcohol, drugs, etc. I probably arrived too early to explain, unravel, treat, heal, and save you. You probably don't have yet, all the organs, the sciences time magic instruments intelligence energies etc, necessary to understand what the creator of the existence will explain here. ---- To intelligence are connected all species bacteria viruses cockroaches birds animals persons souls etc from all the infinite past present future space. In different quantities. ----- To the radiations 26662 24999 etc, the Infinite Living Invisible Sphere, and the creator of the existence, are connected all substances, stones, planets, stars, species bacteria viruses cockroaches birds animals persons souls gods etc from all the infinite past present future space, invisibly permanently unconscious etc. In different quantities. ----- It is impossible for gods persons etc, to be connected, to know and to use in the same second, trillions of years of sciences magic information substances etc, but that is how the Infinite Living Invisible Sphere, and the creator of the existence, works and thinks. Social excrements do not want to know this information and creatures, and do not let others to know them either. Social excrements make a lot of noise, so that very few gods, scientists, priests, saints, persons, etc, reach to these creatures, information, needs, radiations, magic, energies, treatments, etc. ----- Today I received these radiations from the creator of the existence, and I translated them into the language chosen by the creator of the existence. I have no claims and I am not upset, if pigs, bacteria, Allah, Jehovah, Lucifer, Adam, Eve, the serpent, Jesus Christ, Moses, Hitler, Einstein, Tesla, Elon Musk, Donald Trump, Vladimir Putin, chatgpt, etc, do not have the organs, studies, instruments, energies, proofs, magic, etc, necessary to see, study, use and respect, the truth, reality, understanding, peace, love, respect, justice, unity, equality, eternity continuous in all infinite past present future space, the book Eternal Infinite Order, the ESGSEIS

video codes, the radiations 26662 24999 etc, the Infinite Living Invisible Sphere, and the creator of the existence, but it can affect me, radiate, sicken, mutilate, deform, confuse, influence and kill me too, and even existence. Apart on the radiations 26662 24999 etc, the Infinite Living Invisible Sphere, and the creator of the existence. ----- The radiations and explanations of the creator of existence.
